

QUEENS

IMMIGRATION TASK FORCE DIRECTORY OF SERVICES

THE HONORABLE MELINDA KATZ
QUEENS BOROUGH PRESIDENT

with the

The Borough President's Office of
Immigrant and Intercultural Affairs

A Message from the Queens Borough President

Dear Friends:

Queens, the World's Borough, is home to immigrants from every continent across the globe. Close to half of our population was born outside the United States. We trace our ancestries to more than 120 countries, and we speak over 135 languages.¹ Our immigrant neighbors contribute tremendously to the economic, social, cultural, and civic life of the borough. At the same time, they face unique challenges as they strive to create a better life for their families, especially for their children.

I am proud to offer this Directory of Services as a resource for all those who work with our borough's diverse immigrant communities. The directory features the members of my Queens Immigration Task Force, a network of reputable social service providers and government agencies committed to promoting immigrant integration in Queens and New York City. They coordinate a wide variety of programs and services, including ESL and civic classes, citizenship assistance and legal advice, public benefits and health insurance access, employment training and job placement, youth activities and senior centers, and immigrant rights and civic engagement projects. In each entry, you will find contact information, types of programs and services available, and languages spoken. You can search the directory by organization name in the Table of Contents, and by language in the Index.

I commend the members of my Queens Immigration Task Force, who serve and advocate for tens of thousands of immigrants each year. They provided valuable information to my staff and interns, which made this directory possible. I am grateful to my colleagues in public office for sending their legislative aides to my task force meetings, and to the Mayor's Office of Immigrant Affairs for our positive working relationship.

For more information on how my Immigrant & Intercultural Affairs office addresses the needs of our borough's diverse communities, please visit www.queensbp.org. You can also reach my Immigrant & Intercultural Affairs office by calling 718.286.2741. My staff and I appreciate your interest, and we look forward to hearing from you.

A handwritten signature in black ink that reads "Melinda Katz". The signature is fluid and stylized, with a long horizontal line extending from the end.

Melinda Katz
President
Borough of Queens

¹ An Economic Snapshot of Queens, Office of the New York State Comptroller, 2013

EMAIL: deidra.sutton@acs.nyc.gov

IMMIGRANT-RELATED PROGRAMS AND SERVICES:

The Office of Community Partnerships has eleven different partnerships throughout the five boroughs, with two in Queens (Elmhurst and Jamaica). We work with community partners who are interested in the welfare of the children and their families. We assist with the recruitment of foster parents, keeping in mind that children should be placed with families of similar background. We inform the parents about the New York State Child Neglect and Abuse Laws, and how these may differ from what they have experienced in their countries of origin. We assist with referrals for families to receive services. We hold forums to “demystify” ACS, to inform the community about the different services that ACS provides. We identify needs in communities and work with service providers to assist in addressing these needs. We hold monthly meetings where we invite partners and the community and where information is shared.

IMMIGRANT-RELATED PROGRAMS AND SERVICES:

Please note that DYCD funds local community-based organizations to provide the services mentioned below. Any questions regarding these services should be made directly to the local community-based organizations.

1. ESOL/Civics Classes – DYCD’s ESOL/civics classes help the newest New Yorkers learn English and prepare for U.S. citizenship including the U.S. Citizenship & Civics test.
2. Services for Immigrant Families – This program is designed to help immigrant parents of English Language Learners (ELL) in grades 6 through 12 understand the requirements of the New York City school system and take an active role in their children’s education. In addition, the programs identify the needs of immigrant families and make referrals for health, mental health, and support services.
