A Message from the Queens Borough President

Dear Friends:

Queens, the World’s Borough, is home to immigrants from every continent across the globe. Close to half of our population was born outside the United States. We trace our ancestries to 190 countries, and we speak close to 200 languages. Our immigrant neighbors contribute tremendously to the economic, social, cultural, and civic life of the borough. At the same time, they face unique challenges as they strive to create a better life for their families, especially for their children. In the current political climate, many of our immigrant communities are experiencing uncertainty, risk, and fear.

I am proud to offer this Immigrant Services Directory as a resource for all those who work with our borough’s diverse immigrant communities and as a source of empowerment for the newcomers themselves. The directory features the members of my Queens Immigration Task Force, a network of reputable nonprofit organizations and government agencies committed to promoting immigrant integration in Queens and New York City. They coordinate a wide variety of programs and services, including ESL and civic classes, citizenship assistance and legal counsel, public benefit and health insurance enrollment, employment training and job placement, youth activities and senior centers, and immigrant civic engagement projects. In each entry, you will find contact information, types of programs and services available, and languages spoken. You can search the directory by organization name in the Table of Contents, and by language in the Index.

I commend the members of my Queens Immigration Task Force, who serve and advocate for tens of thousands of immigrants each year. They provided valuable information to my staff and interns, which made this directory possible. I am grateful to my colleagues in public office for sending their legislative aides to my task force meetings, and to the Mayor’s Office of Immigrant Affairs for our long-standing, productive relationship.

For more information on how my office addresses the needs of our borough’s diverse communities, please visit www.queensbp.org. You can also reach my Immigrant & Intercultural Affairs division by calling 718.286.2741. My staff and I appreciate your interest, and we look forward to hearing from you.

Melinda Katz
President
Borough of Queens

DHR’s mission is to ensure that “every individual… has an equal opportunity to participate fully in the economic, cultural and intellectual life of the safe.” It does so in many ways, including the following:
1. Through the vigorous prosecution of unlawful discriminatory practices
2. Through the receipt, investigation, and resolution of complaints of discrimination;
3. Through the creation of studies, programs, and campaigns designed to, among other things, inform and educate the public on the effects of discrimination and the rights and obligations under the law
4. Through the development of human rights policies and proposed legislation for the State.
